The heart of Gorilla-land is just beginning. The aim of this year's KANZA has been to record for you, to the best of our ability, a cross-section of all the personalities represented on our campus this year; the activities we enjoyed together; and a little current history which will no doubt have a big effect on our lives in the years to come.

What will this old world of ours be like in say sixty years? That will be the year 2000—we hope those of you who happen to pick up this KANZA in the year 2000 will be interested in what we have recorded here.

GOVERNOR

PAYNE RATNER

Born at Casey, Ill., forty-three years ago, Governor Payne Ratner worked his way through college as a newspaper reporter, studied law and was admitted to the Kansas bar in 1920, and two years later established the law office he still maintains at Parsons.

His career of public service began in the senate and his sponsoring of the state school equalization law which provides state aid for weaker schools assisted in enactment of the law on a temporary basis.

After his inaugural as governor, he successfully urged that the measure be made permanent. As a legislator, he was outstanding in the field of education, but his interests and activities were varied then, as now. During his first term in the senate he was listed on the honor roll of farm organizations for his support of farm measures.

Since becoming chief executive of Kansas, Governor Ratner has sponsored reorganizational work within the departments to further the economy-efficiency interests of his administration.

Standing: Ralph T. O'Neil, Topeka; Drew McLaughlin, Paola; Grover Poole, Manhattan; Lester McCoy, Garden City.
Seated: Dr. H. L. Snyder, Winfield; Mrs. Elizabeth Reigart, Baxter Springs; Fred M. Harris, Chairman, Ottawa; Mrs. Donald Muir, Anthony; W. T. Markham, Topeka.

Dr. H. L. Snyder is a governor of the American College of Surgeons, a past president of the Kansas State Medical Society, and long has been an ardent supporter of educational progress in our state. Ralph T. (Dyke) O'Neil is a prominent Kansas attorney, a past national commander of the American Legion, and is familiar with problems confronting the state's educational institutions. W. T. Markham is the State Supervisor of Occupational Information and Guidance for the State Vocational Educational Department, a former state superintendent of public instruction, and has been in the educational field since 1905. Lester McCoy is a motor car dealer, widely known in farming and business circles, and for many years has maintained an active interest in the state's educational institutions. F. M. Harris has practiced civil law for 40 years, is a farm owner and director of several banks, has served in the state Senate, has been Mayor of Ottawa, and is an invaluable member of the Board. Mrs. Elizabeth Reigart is widely known for her activities in behalf of the tuberculosis society and women's club. Grover C. Poole owns and farms 3,000 acres, owns a 150 head herd of pure bred Hereford cattle, and in 1931 was named a "master farmer." Drew McLaughlin is one of a newspaper family, known for publishing the Miami Republican, and is deeply interested in state educational matters. Mrs. Donald Muir is a widely known club woman and is active in Women's Clubs, Music Clubs, A. A. U. W., and the Kansas Society for Crippled Children. Hubert Brighton, of Topeka, is Secretary of the Board (not in picture).

BOARD OF REGENTS

MISS BELLE PROVORSE

There is one man on the campus of Kansas State Teachers College that every one knows and loves; he is not a student, a professor, or the college Casa Nova, but none other than our own President, W. A. Brandenburg, or better known to the students as "Prexy."

President W. A. Brandenburg is known as "Prexy" because of his geniality, simplicity, and true friendliness to the student. Here is a man that is not thought of as a dignified executor, but as the true friend of every student on the campus, for there is never a problem too great or too small for "Prexy" to consider. He is the man who wants the college teams to win so badly that he will ride in Model T Fords up and down Broadway, showing his true spirit and loyalty. His loyalty is not only shown in pep rallies, varsity sports, and other extracurricular activities, but is shown by the vast improvements that have come to the institution. Largely through his untiring efforts for the past twenty-seven years we enjoy the educational advantages we have today.

"Prexy" is not only the "tops" on our campus, but also in his own field, for this year he was elected president of the American Association of Teachers Colleges. Congratulations to our "Prexy."

The valuable and efficient service which the general office renders daily to the college is a most important cog in the machinery of a great institution. This credit goes to Miss Belle Provorse, financial secretary and secretary to the President. Her tireless energy and cooperation has contributed much to the welfare and betterment of the school.

President

W. A. BRANDENBURG

THE DEANS

O. P. DELLINGER

"Doc Dee," as he is familiarly called by the students, has rather a unique record at K. S. T. C. This is his first year as Dean of the College but he has been head of the Biology Department since 1909, which gives him more years of service than anyone else in the institution. He has served as Chairman of the Graduate Council for a number of years.

JENNIE C. WALKER

This is Miss Walker's first year as Dean of Women and it has proved to be a very successful one. The Dean of Women excels in College activities and associations which count for efficiency among women. She has an unusual opportunity for a field of acquaintances as general director of Willard Hall. She also serves as a guide to floundering freshmen in their awkward stages.

GEORGE D. SMALL

To many of us he is known as "George"; he is also well known to many as the Daddy of Betty Kay. Dean Small took over his present position as Director of Personnel and Dean of Men in 1935. The Dean of Men takes a direct interest in the activities of every man enrolled in the College. Dean Small has proved to be a great friend and helper to all.

REGISTRAR

L. A. GUTHRIDGE

Present registrar has one of the most important positions of the College. Into his office go the difficult handling of all the students' records in the college. Mr. Guthridge was formerly Director of Extension before assuming his present position in 1932.

STUDENT

COUNCIL

The students selected one grand fellow for their Prexy this year—Jack Overman. The student government was very competently handled by the Student Council under his leadership.

The group started the year by introducing several much-needed reforms. It was felt that these would benefit the student body, both academically and socially. Due to the council's endeavors, the students have enjoyed more social functions. Among the activities sponsored by the group were Ladies Knight, Hobo Day, all-school parties, varsity dances, free shows, student chapels and elections.

The council selected Buck Boulanger for Vice-President, Esther Packard for Secretary and Stanley Miles for Treasurer. Miss Lula McPherson was the sponsor of the group.

Top row: Dick Shireman, Stanley Miles, Mary Morgan, Bob Gadberry.

Middle row: Bill Shute, Cleman Boulanger, Esther Packard, Jane Baxter.

Bottom row: Art Prince, Joe Begando, Grace Hood, Lula McPherson.

● President of the Student Council . . . a past president and a charter member of the Pep Club . . . Kappa Delt . . . head cheerleader for three years . . . twice Business Manager of the KANZA . . . a poised public speaker . . . a shrewd businessman.

● We don't see how he does it, but Jack seems to keep going day after day in high gear with seemingly unlimited purposeful activity. As head of the Council this year he carried through a fine program of improving the social life of the campus. We predict that Jack's greeting, "Hello, how are ya?"; his red hair; and his winning smile will really go places.

JACK OVERMAN

RECEPTION AND ENROLLMENT

Archie Hood has just met Leslie Baxter and Jack Overman and is now shaking hands with Prexy.

Prof. Braley has a cheery smile for everyone; here we see him admitting Regina Pallett to the gym.

Woody Clingan has just called, "Numbers 425 to 450!"

All done but getting them stamped PAID.

F U T I L I T Y

Once I lived in a carefree world
Where freedom's flag to the skies unfurled.
A world of smiles, it seemed to me,
Where all was peace and unity.
I lived my life with never a care
Where youth abounded everywhere;
Where one could laugh, love, and cry,
And never a soul would ask him why.

I heard no talk of policies
To save the world for democracies.
No one said that a tyrant, coarse,
Would try to swallow the world by force,
Nor objected much if I chose to go
To a boxing match or a picture show.
I spent my time void of things
That pertained to power, debts, or kings.

But now the world, gone mad it seems,
Has broken my hopes, and wrecked my dreams.
I care not if the sun will shine.
I face death near the River Rhine.
No dear friend shall view my grave,
Or from my bier flowers save.
I will live in memories
As one who died for vanities.

ALPHA

A national social sorority founded November 15, 1901, at Farmville, Virginia. Alpha Sigma Alpha is a charter member of the Association of Educational Sororities. Eta-Eta chapter was organized at Pittsburg, July 9, 1920.

Alpha Sigma Alpha has for its purpose the fourfold object: physical, intellectual, social and spiritual development. A strong group spirit and willingness to participate in different types of activities has kept Alpha Sigma Alpha in a prominent position on this campus for many years, as well as on campuses of twenty-eight other colleges.

This year marks another milestone in Alpha Sigma Alpha history as a three-year plan was adopted whereby regional meetings will be held this year, inspections the second year, and the national convention the third year.

Among our members have been Kanza queens, class officers, members and officers of honorary fraternities, and members of the Collegio staff. The formals, teas, dances, and picnics play an important part in the life of all members.

Phi Mu Gamma is a national fine arts sorority, embracing the four fine arts: music, dance, art, and speech. The organization was founded at Hollins College, Virginia, in 1890. Delta Chapter of Lambda Phi Delta was founded on this campus in 1918, and was merged with Phi Mu Gamma in 1930.

The purpose of this organization is the intelligent advancement of the four allied arts. Every year in the spring, Phi Mu Gamma presents a recital demonstrating the four fine arts.

Phi Mu Gamma is a social as well as a professional sorority. Many teas, musicals, receptions, parties and dances are given each year by the sorority. The girls participate in many extracurricular activities on the campus. The national convention will be held this year in Minneapolis, Minnesota.

Through Phi Mu Gamma, loyalty to ideals are fostered, lasting friendships are formed, and a bond of fellowship is forged which can never be broken.

Each year the pledges give a recital for the patronesses, actives, and guests. A Christmas chapel—solo and ensemble numbers and the Christmas Cantata—is presented by the organization in the College auditorium.

Sigma Sigma Sigma was founded at Farmville, Virginia, on April 20, 1898, by a group of eight girls prominent on the campus of the State Normal School. There are thirty-two active chapters of Sigma Sigma Sigma on campuses of other education colleges and universities. Wherever you may go in the United States you will find true and loyal Tri Sigs. When the Association of Educational Sororities was organized, Tri Sigma became a charter member.

Chi Chapter was established on the campus of Kansas State Teachers College of Pittsburg in 1922 and was one of the first sororities to be organized here. Among the girls initiated into the Chi Chapter many have been Kanza Queens, Football Queens, Class Queens, and Freshman Queens and the only girl editor of the Kanza. The Tri Sigs have always maintained a high scholastic standing and have been active in various other extracurricular organizations on the campus.

In society, again you will find Tri Sigma in the foreground. The formals, dances, teas, bridge parties and moonlight picnics given each year by the sorority have been highlights in the lives of many a girl and boy long to be remembered after they are out of school.

Our sponsors are Dr. Rowena Wellman and Miss Hazel Cave. Patrons and Patronesses: Dr. and Mrs. Alpha H. Kenna, Dr. and Mrs. O. A. Hankammer, Dr. and Mrs. C. W. Street, Dr. and Mrs. J. Ralph Wells, Mr. and Mrs. G. I. Hunter.

Theta Sigma Upsilon, founded at Kansas State Teachers of Emporia, is a national sorority. Epsilon Chapter was established on this campus in 1923.

A national convention of the organization is held every three years. The last convention was in 1939 at Mackinaw Island, Michigan; Hilda Smith was a delegate from Epsilon Chapter. In May, 1940, the active chapter initiated their mothers and established a mothers' chapter of Theta Sigma Upsilon in Pittsburg. The organization has maintained a high scholastic record and has been active in the extracurricular activities of the school.

Miss Frances Hashbarger is the sponsor. Patronesses are Mrs. O. P. Dellinger, Mrs. J. U. Massey, Miss Elmina Graham, Miss Virginia McAllister, Mrs. Adelaide Burnett, Mrs. E. K. Smith and Mrs. Robinson.

PAN HELLENIC COUNCIL

The Pan Hellenic Council is composed of delegates from the four Association of Educational Sororities, Alpha Sigma Alpha, Pi Kappa Sigma, Sigma Sigma Sigma, Theta Sigma Upsilon, and from the fine arts sorority, Phi Mu Gamma. The purpose of the council is to organize and to unify the five sororities on the campus. Each sorority is represented on the council by its president, one upperclassman, one lower classman, and its sponsor. Meetings are held once a month at the various sorority houses and are under the control of the Association of Educational Sororities.

The duties of the council are to create friendship and goodwill among the sororities, to sponsor a formal rush week, and to act as a clearing house for any sorority problem.

Pan Hellenic officers are rotated among the sororities each year. Martha Ruth Kendrick of Phi Mu Gamma is president; Dolores Sheward of Alpha Sigma Alpha, vice-president; Ruth Delaine Collins of Sigma Sigma Sigma, secretary; Eleanor Lair of Pi Kappa Sigma, treasurer. Miss Lulu McPherson acts as advisor.

INTERFRATERNITY COUNCIL

The members of the Interfraternity Council are, left to right: Jack Henderson, Kappa Delta Kappa; Grant Waggoner, Phi Sigma Epsilon; Leonard Sellmansberger, Kappa Delta Kappa; Charles Miller, Phi Sigma Epsilon; Thomas Seed, Phi Sigma Epsilon; Finley Porter, Kappa Delta Kappa; Clarence O. Dover, Sigma Tau Gamma; Clarence Culbertson, Sigma Tau Gamma; Roll Davis, Kappa Delta Kappa.

The Interfraternity Council has as its function the closer relationship among the fraternities and the building up of the organizations on the campus. The council was organized in 1931 by the three Greek social fraternities to carry out these aims. The council makes its regulations and requirements for the best benefits of all the fraternities, among them its rushing rules and pledging requirements.

The big social event of the year for the fraternities is the council sponsored Interfraternity Formal. This formal is much looked forward to by the fraternities and is therefore a large factor in bringing more fellowship among the fraternities. The members on the Interfraternity Council are selected by each of the individual organizations.

KAPPA DELTA

In the fall of 1926, six campus leaders banded themselves together to oppose the tyranny of the upper classmen. At the end of the semester this group segregated itself and made plans for the organization of a fraternity. In the following April, 1927, a state charter was granted and these six men expanded into the fraternity of Kappa Delta Kappa.

The members of Kappa Delta Kappa strive at all times to uphold the highest standards in the lines of scholarship, athletics, and right living in general. Good scholarship is stressed as one of the primary aims of the organization.

The activities of Kappa Delta Kappa men are not confined within the fraternity, but extend to nearly all extracurricular functions. Members take part in intramural athletics, music, scholastic fraternities, Y. M. C. A., and many other activities.

The social committee plans an extensive program, which includes one party a month, a Christmas formal and a Spring formal, and the annual Founder's Day banquet.

The sponsors of Kappa Delta Kappa are Miss Mary Lee Hagemann, Dr. O. W. Chapman, Dr. Paul Murphy, Prof. J. U. Massey, Dr. L. C. Heckert, and Dr. Samuel Pease.

Actives not shown in the picture are: Fred Bumgardner, Harold Dotey, Jack Gilliland, Jack Gorton, Fred Kimbley, Earl Majors, Don McCollister, Finley Porter, Jack Quier, Frank Radcliff, Sam Von Schrlitz, Judson Waggoner, and John Wilson. Pledges for the second semester were: Jack Byers, Bill Gay, Bill Hughes, Harmon Holtman, Bob Orr, and James Staggs.

PHI SIGMA

Beta Chapter of Phi Sigma Epsilon became a national affiliate in 1927. There are fifteen chapters on campuses of colleges in the Middle West.

The fraternity publishes from time to time a Newsletter that is sent to affiliate chapters telling of the chapter's projects and activities.

A good scholastic standard is required for membership and all are encouraged towards higher scholastic achievements. This chapter was the first on the campus to abolish the use of the paddle on pledges.

The chapter enthusiastically enters into athletics, student administration and other extracurricular activities of the College. Many of the outstanding stars in athletic activities are listed on the active roll. Among the successes of Phi Sigma Epsilon this year has been first place in the Home-coming house-decoration contest and first place in the Kanza Stunt Fest.

Through a well-rounded program of social and extracurricular, Phi Sigma Epsilon offers to its members a better intellectual, social and physical development. Included in the extensive social program during the year is the annual Phi Sig Frolic, two formals and numerous parties.

Sponsors are Miss Ruth Stamm, Miss Louise Gibson, Dr. R. G. Smith, Professor H. V. Hartman, Dean George Small, and Professor R. L. Schwanzle.

Honorary members are Professor Frank C. German, James Steele, Mac Steele, and "Gabby" Street.

KANSAS

AFTER THE KANSAS RIVER WHICH IN PREVIOUS TIMES HAD BEEN NAMED AFTER THE TRIBE OF INDIANS WHO LIVED ALONG ITS BANKS. A SECRETARY OF THE KANSAS STATE HISTORICAL SOCIETY POINTS OUT THAT THE WORD "KANZA" (THE KANSAS OF OUR DAY) IS AN OLD WORD OF THE SIOUAN LANGUAGE, MEANING . . . PEOPLE OF THE SOUTH WIND. HE IS ALSO OF THE OPINION THAT TO THE INDIANS OF THE OLD TIME IT PROBABLY MEANT MORE THAN IS EXPRESSED IN THIS PHRASE, FOR THE WORD HAS BEEN EMBEDDED IN THE SOCIAL ORGANIZATION OF THE SIOUAN TRIBE FROM PREHISTORIC TIMES.

KAPPA DELTA PI

Alpha Zeta chapter of Kappa Delta Pi, an international honor society in education, was established on the campus here March 14, 1925. It is the thirtieth established chapter of the one hundred thirteen in the society. There are more than six hundred members of Alpha Zeta chapter.

Meetings of the fraternity are held on the third Wednesday of each month, with programs consisting of speakers and musicians. Initiations are held each semester and summer. Membership is open only to juniors, seniors, and graduate students who have a high scholarship record and possess qualities of leadership and sociability. At an alumni banquet held each year during commencement week initiation is conferred on one or more persons who have made outstanding contributions in furthering the progress of education.

It is the purpose of this society to encourage a higher degree of consecration to social service, maintain the highest education ideals, and foster fellowship, scholarship, and achievement in educational work.

Richard Greer, the studious fellow on the CLASSES division page, is the president of the chapter this year. The other officers are: Howard Siple, Vice-President; Belle Provorse, Secretary; Odella Nation, Treasurer; W. A. Brandenburg, Counselor; Mildred Cutler, Editor.

At the end of each school year, some outstanding person is initiated into honorary membership of Alpha Zeta chapter. Last year this honor was conferred on Claud F. Young, a prominent physician and surgeon of Fort Scott.

A fire place and two windows have also been added to increase the attractiveness of this room. The room which was formerly the kitchen has been remodeled into an office and a small kitchen.

Theological Seminary, world traveler and ex-secretary of the World Student Christian Federation in the Far-East, was the main speaker of the conference.

The programs for the year were based on religious education, social relations, and world problems. Some of the leading men and women of the college and community were guest speakers in the meetings. Frequently the Y. M. C. A. and the Y. W. C. A. met together to share the benefits of special programs. Devotions for student chapels were arranged for by the Y. M. C. A. The two Associations had charge of the Easter Chapel in which Dr. James Chubb from Baker University at Baldwin, Kansas, was the speaker.

Another big conference at Estes is being looked forward to by the Y. M. C. A. Last year the Y. M. and Y. W. arranged to take the College bus and filled it with students from Pittsburg, Parsons, Emporia, Highland, Ft. Scott, and Chanute. The Pep Club is an organization that generates the PEP at all the football and basketball games and boosts the teams when they go to games away from home. Any member can be recognized by his crimson sweater with the gorilla emblem on the front.

Until four years ago the organization was known as the Gorilla Club, but upon being reorganized the club adopted its present name. Once a member has been selected he is a member until he leaves the school. The membership is always 100, new members being selected each year as old ones leave.

The club this year has sponsored three snake dances at which nearly five hundred of the student body attended, three pep chapel programs, stunts between halves of games, and two dances after basketball games. A special attraction was the sunrise dance honoring the football team, at which 320 students attended. When the football team played at Wichita there were 50 members of the Pep Club on the sidelines boosting them. At Emporia a group was also on hand cheering the basketball team.

The cheerleaders for the school are selected each year from the student body at large and can be readily recognized by their gold sweaters with large crimson K's on the front. The four pepper-uppers for this year: Bob Shute, Mary Margaret Leaton, Leonard Sellmansberger, and Eileen Rettig.

The Junior class presented "The Cat and the Canary" April 4. It was a howling success and you may take that literally. Professor Ramon Kessler directed the thrill-packed, laugh-provoking drama of the sliding panels.

The audience loved Bud Graber in his role of the rather dubious hero, Paul Jones, and his lovely leading lady, Jane Baxter. Jim Hand, as a heel with good intentions, and Gerald Thompson, as a smoothie without any, vied without avail for the attentions of the fair heroine. Genevieve Koontz gave an excellent characterization of a West Indian Voodoo woman and Betty Simon supplied plenty of humor with her antics as an acid old maid. Other fine actors were Max Schiefelbusch, Ruth

Delaine Collins, Rex Wiles, and Darrell Cochran.

The original Wesley Foundation was organized at the University of Illinois twenty-five years ago. At Kansas State Teachers College, the Wesley Foundation serves more than four hundred Methodist students during the school year. A student-directed meeting is held every Sunday.

The Wesley Foundation operates through a Board of Trustees and a Student Council with appropriate committees. The members of the Student Council are: Josephine Walker, President; Archie Hood, Vice-President; Elmer Milligan, Secretary; Shirley Thomas, Treasurer.

During the course of the year, the Wesley Foundation sponsors several social functions; among these are the bi-weekly fellowship hour. Here the members meet together an hour before time for the evening service and have a "grand and glorious" time playing games and relaxing in general.

It is the aim of the English Club to further the study of literature by providing additional information to those who are eager to supplement that obtained in class. Thus does the club bring together those who would gladly learn and those who would gladly teach.

At the meetings which are held every second Thursday evening of the month in Russ Hall, talks are given by faculty members and by others. These talks are on literary figures and their works, on travels and other topics that are of interest to students entered in English work.

English majors and minors were guests at a tea given by the club in December.

A dinner is held each spring in the College Cafeteria and a program of current interest is presented in attendance.

The club is sponsored by Miss Dora Robertson. Officers this year are: President, Isabelle Forman; Vice-President, Arthur Prince; Secretary, Hilda Julian; and Treasurer, Victor Smith.

The Home Economics Club was organized in 1919. It is affiliated with the American Home Economics and the State Home Economics Associations. Its purpose is to promote professional interest in the field of home economics and to develop the social life of its members.

At the first of the school year the club gave a tea in honor of the Freshman girls of the department. All the new Home Economics majors and minors were guests at the first meeting, which was in the form of a picnic. During the first semester the club had a very distinguished visitor, Dr. Helen Judy Bond, President of the American Home Economics Association, who was the guest of honor at a dinner. As is the custom, the club entertained the physical science club and honor fraternity with a party. Thanksgiving and Christmas baskets were taken to needy families.

About twenty-five delegates attended the State Home Economics Convention in Wichita, March 8 and 9. A candy and cookie sale was held to raise money to pay the transportation expenses of the delegates. A skit, "The History of Costumes," was written by some of the members of the club and was given at a regular meeting and also in chapel. Each of the classes and the Home Economics fraternity, Phi Upsilon Omicron, were in charge of one of the meetings. The senior girls of the department were the guests at a farewell picnic in the spring. The club has seventy-two members.

Lois Dickey was President this year; Lorene Blake, Vice-President; Mary Edith Erhard, Secretary; Mildred Ahrens, Treasurer; and Josephine A. Marshall and B. Lillian Nelson are our sponsors.

Sponsorship of the annual high school Play Day was one of the main activities of the first semester. The junior college Sports Day was held in the middle of February. Climaxing the social activities of the first semester was the annual formal dinner. This year it was held at the Hotel Stilwell.

Members of the staff and major club attended the Hockey Play Day at the University of Kansas in October and the district convention of the Health, Physical Education, and Recreation Association in Wichita, March 27, 28, 29 and 30.

Membership is made up of students majoring or minoring in printing.

The club is affiliated with the National Graphic Arts Education Guild. Samples of printed material are sent to the national organization which in turn makes up packets to return to the affiliated clubs for the interchange of ideas in typographical design and processes of printing being carried out in other schools teaching printing.

Semi-monthly meetings are held during the year at which programs are developed by the students on such problems as silk-screen printing, photoengraving, offset printing, embossing, and trends in newspaper publishing.

Officers are: Joe DeSpain, president; Bob Clark, vice-president; Frank Tatham, secretary-treasurer; Bob Wilkins, corresponding secretary; James Ryan, historian, and Laurence G. Cutler, sponsor.

Membership in Alpha Gamma Tau is by election only and is limited to students ranking high in scholarship, leadership, and professional spirit, and to those having completed at least 20 hours of major work.

Meetings are held monthly; the programs consist of lectures, demonstrations, and scientific papers. Outside speakers of note are obtained whenever possible, and successful men in the various fields of applied science frequently present interesting lectures.

And Why Do We Live at the Dorm?

BECAUSE, it houses—at least from 11 p.m. to 7 a.m., one hundred and eleven girls—tall, short, blonde, brunette, “red-heads,” merry, serious, all college girls. BECAUSE our house-mother, Mrs. Inez L. Risk, is always smiling and friendly, welcomes our guests, or helps us with our personal problems. BECAUSE, we have a lovely building inside and out—shrubs and green lawn contrasting with the brown brick structure and inside all sorts of conveniences, hot water, twin in-a-door beds and steam heat. BECAUSE, we have a recreation room with an open fireplace, couches, radio, ping pong table; reading room with daily papers and current magazines; music room with piano, tables and chairs. BECAUSE, we are very close to the campus and our eight o’clock classes. BECAUSE we have a self-governing organization by which we make and occasionally break, our own rules. For these reasons and—many, many others—we live at Willard Hall.

The Music Department is under the supervision and direction of Dr. Walter McCray. The department courses include applied lessons in piano, violin, and band instruments; also theory, history, and practice teaching. It also sponsors the Tri-State High School Music Festival.

The organizations within the department include the Festival Orchestra, College Band, Festival Chorus, Polymnia Club, and Men's Choral Club. The two National Music Fraterni-

ties are Sigma Alpha Iota for women, and Phi Mu Alpha Sinfonia for men.

The Festival Orchestra, under the baton of Dr. McCray, meets three times each week, and presents a Christmas concert and a Spring Festival concert during the annual Tri-State High School Music Festival held in April of each year. This year the orchestra has given concerts in Chanute, Kansas City, Mo., Baxter Springs, and Fredonia.

The Festival Chorus, nationally known music

DR. WALTER McCRAY

organization, is also directed by Dr. McCray. The chorus, in cooperation with the Festival Orchestra, each year present various works as well as the "Messiah" during the Spring Music Festival.

Since the first Festival in 1915, many major choral compositions have been presented. Among these are: Fair Ellen, Hiawatha's Wedding Feast, Faust, Ode To Music, Messiah, Creation, Elijah, Hora Novaissima, Stabat Mater, Samson and Delilah, Witch's Daughter, Golden Legend, Swan and Skylark, Requiem, and Ordering of Moses. It has been the practice to present during this time some outstanding artist of music, many of whom are world famous; some of these are: Mesdames Alda, Clausen, Galli-Curci, Schuman-Heink, Talley, Van de Veer, and Swarthout; Messieurs Althouse, Crooks, Deluca, Lazara, Martinelli, McCormack, Middleton,

Paderewski, Bauer, Heifetz, Jones and others.

The Music Department includes in its activities a college broadcast once each week over station KGGF in Coffeyville; a weekly broadcast by the Festival Orchestra and special artists over station KOAM at Pittsburg, also a daily organ broadcast.

Student recitals are presented every other week by the music pupils.

The Music Faculty consists of: Dr. Walter McCray, head of the department; Gabriella Campbell, assistant Professor of Public School Music; Edwina Fowler, supervising teacher; Marjory Jackson, voice; Claude Newcomb, voice; William Humble, piano; Ruth Stamm, piano; Rose Buchmann, organ, piano; Emile Michaux, Director of the College Band; Eugenia Johnson, cello; Rhetia Hesselberg, violin.

The Music Hall, erected at a cost of \$150,000, is entirely devoted to the School of Music. Its auditorium is equipped with a fine organ. Several studios, classrooms, and offices are also located on the first floor. Also found in this fine building are thirty sound-proof practice rooms, and an art gallery.

The Women's Glee Club, an organization of girls interested in music, receives its members through auditions held in the fall. The club is limited to forty girls in order to accommodate transportation on bus trips out of town.

The organization affords valuable training of voices, a varied study of choral compositions and also lends its efforts toward greater works by being the foundation to the women's division of the Festival Chorus.

This past year the activities included concerts, both local and out of town, chapel performances, appearances before the P. E. O., Women's Club, and broadcasting over KOAM, Pittsburg.

Miss Gabriella Campbell, a member of the College music faculty, is the director.

This year the club has for its officers: Muriel Catherine Richards, President; Avis Parsons, Vice-President; Virginia Fountain, Secretary-Treasurer; Marguerite Wilbert, Librarian; and Edna Marie Weidlein, Accompanist.

Back row: Harold Jones, Leo Robison, Harvey Carney, Kent West, Archie Hood, Joseph Malocsay. Front row: Richard Lashley, Mack Collins, Charles Gardner, Dolores Limb, Ernest Justice, Joseph Bosco, Wilson Stewart.

MEN'S CHORAL CLUB

The Men's Choral Club, an organization for college men with outstanding vocal talent, was acclaimed this year by several musicians as an exceptionally well-balanced and well-trained group of singers.

The club, under the direction of Prof. Claude R. Newcomb, made several tours to neighboring cities and climaxed the season with a number of evening concerts at the larger cities of this and adjoining states, singing an outstanding anthology of choral music from Palestrina and Bach through Mozart and Wagner to Cain and Olds.

The purpose of the Club is to provide an opportunity to study a wide variety of compositions and to provide recreational and extracurricular activity for its members.

The thirty-five members of the organization formed the nucleus around which the male section of the Festival Chours was built.

Miss Dolores Limb supplied the accompaniments for the club.

THE COLLEGE BAND

THE FESTIVAL CHORUS

The Spring Music Festival which is held every year dates back to the year 1915, and since that time many major choral compositions have been presented by the Festival Orchestra and Festival Chorus. Through this event much has been accomplished in the way of musical education in this area. During the Festival, contests are held for high school musicians from all over the state. These contests cover nearly every kind of senior and junior high school music, and when they are over a chorus composed of about two hundred selected high school singers gives a concert which this year was directed by Noble Cain, eminent composer. Along with this an orchestra is chosen consisting of sixty high school instrumentalists, which also gives a concert. Throughout Festival Week there are various musical entertainments with the Men's Choral Club and the Women's Choral Club taking an active part. The week is brought to a close by the singing of "The Messiah" by the Festival Chorus accompanied by the Festival Orchestra.

The college was very fortunate this year in having Allan Jones, noted movie actor, present a concert. Mr. Jones is a fine tenor and has a wonderful personality. He was the judge for the Kanza Queen contest this year.

FALL COLLEGIO

Argyle Anderson

If The Collegio can be said to be a political force on the campus, that force was equally divided this year. Argyle Anderson, independent, was Editor-in-Chief the fall semester, and Mary Katherine Reiff, Greek, took over the editorial reins the second semester. Regardless of the political affiliations of the editors. The Collegio remained a "Servant of Progress," accurately recording the activities and progress of the campus.

During the first semester the column "As the World Turns," written by Marshall Sage, veteran Collegio staff member, gave accurate interpretations to campus activities.

"Blockheads," which featured drawings by Bill Dewey, art student, presented caricatures of leading campus personalities, both students and faculty members.

The sports news was edited by Fred Schiefelbein, a senior who made his debut on The Collegio this year.

Mary Katherine Reiff's work as assistant editor the first semester proved her capable of taking the editorial helm for the second semester.

William Robison and Harold Cotner served as business managers during the first half year.

The Press Club is an informal organization through which students are invited to keep in contact with journalism, although they may be unable to enroll in journalistic courses. Monthly meetings of educational and social value are held. Members of the club are asked to contribute material for The Collegio.

The club offers a silver loving cup, known as the Bennett Journalism trophy, to the outstand-

ing journalism student of the year. Not only does this serve in raising the standard of The Collegio, but also affords students an opportunity for development of writing talent.

Professor Ernest Bennett has been sponsor of the club since its inception.

The officers this year are: Joe Reilly and Harry Suffron, Presidents; Mary Ball, Vice-President; Jacqueline Gore, Secretary-Treasurer.

SPRING COLLEGIO

College women held both editorial positions on The Collegio the second semester. Mary Katherine Reiff was editor and Gloria Wiles was assistant.

The Collegio was improved the last nine weeks of the semester when the Student Council voted to give \$20 of its 26½ per cent of the student activity fund to The Collegio to be used for purchases of cuts, blocks and mats.

Fred Schiefelbein was editor of the sports page. He originated the column, "Sports Shorts."

Fay Moselle Degen wrote feature stories and was editor of the column, "The Eye."

"No News Is Good News," written by Jim Hand, was featured in the left column on the front page.

Harry A. Suffron collected bright remarks of students and faculty and edited them under the column, "They Say."

The editorial page was changed to two columns of 19 em editorials

Mary Katherine Reiff

instead of one column of 26½ ems, and rivers were placed between the editorial columns.

The policy of The Collegio for the second semester was to give news students were interested in. More news was printed than ever before on account of the lack of advertising.

Dear Friends,

THE 1940 KANZA

"IT'S THE BEST YET—"

—say *The Brinks*

We sincerely hope that everyone likes the 1940 KANZA. We have all put a lot of work into it, but without the splendid co-operation of everyone on the campus, the engraver, and the printer, this annual would have been far less than it is. Special thanks and congratulations go to Bill Dillman of the Mid-Continent Engraving Company of Wichita for designing the book and assisting the staff in every way possible; to Earl Smith of Smith-Grievess Company, Printers, of Kansas City, Missouri, for his splendid job of handling the printing end; to Cy Swatek of the Kingskraft Cover Company of Kingsport, Tennessee, for his unfaltering willingness to comply with our needs; to Bill Miller for his excellent job on the KANZA queens and for his many other fine pictures throughout the book; to the art staff at Mid-Continent for their fine job of artwork; to everyone at Ferguson's Studio for their fine co-operation; to Mrs. Marchbanks for letting us wash our photographs in the bathtub.

Our thanks to Leroy Brewington and Laurence Cutler of the Printing department for their advice; to Frank German, chairman of the Board of Publications; to Hubert Brighton, secretary of the Board of Regents; and to all those students and faculty members who helped us with the big job of writing copy.

Some of the things we won't forget: the gala Stunt Fest and Coronation Ball that Jack Overman and Frenchie Delmez made into such a big success this year, how terribly cold it was the day we took the pictures of the football lettermen, the question that we heard 7291 times, "How's the KANZA coming along?", and Allan Jones' presentation of the prizes to the KANZA queens during the intermission of his concert.

Phil and Carl Brink were co-Editors of the KANZA this year with Phil assuming the duties of General Manager and Carl those of Production Manager and also head of the photography staff. Jack Overman was Business Manager and took able care of the ads and the Stunt Fest. Jack was assisted by Frenchie Delmez. Bill Shute was Assistant Editor. We were fortunate in having the willing services of Fred Schiefelbein for our Sports Editor; Margaret Jean Thompson, Mary K. Reiff, and Art Prince for our feature writers; and Paul Helbig for one of our photographers.

A RADIO TREK

Each Monday, different students and members of the faculty drive to Coffeyville to broadcast over KGGF the Pittsburg State Teachers College one hour program which usually consists of an address by a member of the faculty on a timely topic and musical selections by students. On this page, the KANZA photographer shows you how on one Monday evening, Dr. Glaze, Bonnie Armstrong, Muriel Katherine Richards, and Edna Louise Weidlein spent time in Coffeyville before, during, and after the broadcast.

HOMECOMING

During the Homecoming Celebration this year the campus was the scene of some gala affairs. A Homecoming dinner started things off with students and alumni taking part. The fraternity and sorority houses were appropriately decorated for the occasion, and prizes were given for the best decorated houses. The Sigma Alpha Iotas and the Phi Sigs took first honors. The old grads were welcomed by the members of their organizations.

The major event of the celebration was the football game between the Gorillas and the West Texas Teachers. After a thrilling game the men from West Texas emerged victorious. At the half June Catherine Walker was announced as the Homecoming Queen. She was crowned at the Homecoming dance which was sponsored by the K Club. This dance, closing the festivities of Homecoming, was made a great success by the many alumni and students who attended.

● A SUMMARY OF THIS YEAR'S GRIDIRON ACTIVITY BY
—FRED SCHIEFELBEIN

Inconsistency seemed to be the keynote of Coach Charley Morgan's 1939 edition of the Gorilla gridiron forces. A strong defense and a mediocre offense characterized this year's eleven which completed a 9-game schedule with a record of three wins, four losses and two ties.

Winning two games, losing one and tying two, the Teachers gained a share in the 3-way split for second place in the Central Conference. St. Benedicts and Emporia each had a conference record of three wins and two losses to participate in the second position tie. The non-conference summary showed one win and three defeats for the Gorillas.

It was Charley's second year at the helm of the Gorillas, and local fans were satisfied with his second year performance. He was assisted during the season by Backfield Coach Prentice Gudgen, Line Coach Harold Perry and Reserve Coach Henry Scoggins.

Eighteen lettermen returned to form the nucleus of the eleven, but scrapping first year men gave the lettermen a worthy battle for starting places on the lineup.

The Gorillas ushered in the '39 campaign with a 20-6 triumph over Doane College of Crete, Nebr. Playing their only night game on the local field during the season, the Morganmen piled up an early lead on a ground attack. The lone Doane counter came in the final minutes of play on a long pass completion.

The second non-league game of the season pitted the Gorillas against the strong Superior Wisconsin Teachers. The long bus trip netted the Pittsburgers little more than experience as the Wisconsin team shoved over a touchdown and booted a field goal to turn back the locals, 10-0.

The Gorillas were unable to hold a 7-6 half-time lead and succumbed to the third quarter rushes of the Arkansas Tech "Wonder Boys" at Russellville, Ark. A combined aerial and

land attack enabled the Wonder Boys to pile up a 25-13 victory margin.

Woody Kramer and Joe Begando tallied the two Pittsburg counters, and these two backs were the first Gorillas to cross the Arkansas Tech goal line in five years of play. Charley Dellasega played a stellar game both on the offense and defense for the Morganmen.

The Fort Hays "Tigers" took advantage of a fourth quarter fumble and shoved across a lone touchdown, but it was enough to turn the game into a stalemate. Charley Dellasega's touchdown and Harry McDonald's dropkicked extra point were the only Pittsburg counters and the final score read, 7-7.

The Tigers had eleven first downs to six for Pittsburg and gained over twice as much

ground as the Gorillas, but again and again the husky Pitt line halted the enemy as they neared the Crimson and Gold double stripe.

Probably the biggest achievement of the entire season was the series of valiant goal line stands made by the Gorillas during the scoreless tie played with the 3-time champion Wichita University. The Wheatshockers piled up sixteen first downs and did not allow the Gorillas to make a "first and ten," but every time the Shockers forged downfield to the Pitt goal line, the Gorillas showed their strength and repelled every Wichita charge.

Kenneth Gire, husky red haired center, and Frank "Pudgy" Jameson were the work horses in the Pitt line. Six times the Shockers drove deep into Pittsburg territory and six times the

Pitt line braced itself and halted the champions. Wichita U. dropped out of the Central Conference immediately after the close of the gridiron season.

Nearly four thousand Homecoming fans gathered to see "Flippin" Foster Watkins lead his West Texas Teachers to a 7-0 win over the Gorillas. Watkins filled the air with passes, but only once did the Pittsburg secondary allow a completion over the goal line.

Both Bill and Jack Morgan rose to the occasion and in turn fired pass after pass, completing nearly as many as did the much heralded Watkins, but the Gorillas couldn't muster enough power to score on the Texans. The weather was perfect, and homecoming fans received rare entertainment.

George Melcher, Woody Kramer, and Bill Morgan joined hands in a last minute offensive and marched downfield to a touchdown in the last twenty seconds of play as the Gorillas scored their first conference victory over the stubborn St. Benedict Ravens.

Kramer started the firewords with a 15-yard dash, and then Bill Morgan connected on successive passes to Lee Sutterby and Gerald Buzzard. Kramer then took one of Morgan's passes and carried the ball to the 1-yard line from where Melcher scored the winning points. The victory meant a half-day vacation to jubilant students.

Southwestern that these speedy lads went on a tear. Kramer used his speed to score four touchdowns on runs of 57, 40, 23 and 81 yards.

The shifty Begando tallied three times on jaunts of 26, 30 and 67 yards. The final score was 48-12 and the two "scat" backs had scored every Pittsburg touchdown. It was a hard blocking team that crushed the Builders, but

the victory was costly. Art Dugan, guard, and Carl Beard, blocking back, received serious injuries which kept them out of the Turkey Day game with Emporia.

The Thanksgiving Day game was a nightmare. The gridiron was sloppy from a 2-day rain and a chill wind blew across the field and into the few hundred brave fans who witnessed the 20-0 Gorilla defeat.

Three times the Hornets crossed the goal line and then kept the Gorillas deep into their own territory with long kicks or poor kicks on the part of Gorilla punters. It was the final college game for five Pittsburg players: Frank Jameson, guard; Art Dugan, guard; Emory Arnold, guard; Don Turner, end; and Frank Baker, half-back.

Kenneth Gire, Frank Jameson, Bill Morgan, Don Turner, Keith Dugan, and Art Dugan received post season honors in all-star selections. Gire was selected on all-state teams and almost every C. I. C. team. Jameson, Morgan, Turner, and Keith Dugan were named on Associated Press teams and Art Dugan was honored by several independent papers.

FOOTBALL

COACHES

Track Coach Dr. Garfield W. Weede—"Doc" is serving his 21st year as coach and athletic director at this college. He came to the position in 1919 after serving as athletic director at Camp Funston during the war. As football coach he won several championships and in 1924 he began a series of track victories that netted him thirteen conference trophies in sixteen years of competition. He was named on Walter Camp's All-American grid team in 1904 while he was playing end on the University of Pennsylvania team.

**"DOC"

Basketball Coach John F. Lance—Coach Lance graduated from this school in 1918 and returned to coach his alma mater in 1922 after spending four years as director of athletics and head coach of the three major sports at Southwestern State Teachers College at Weatherford, Okla. His cage teams have finished first in league competition eleven times and his wonder team of '30, '31 and '32 set a national intercollegiate record of 48 consecutive wins. This record is still tops for college basketball teams.

**JOHN
LANCE**

Football Coach Charles H. Morgan—Charley is comparatively a newcomer to the Gorilla staff of athletic mentors. After compiling an enviable record in eight years of coaching at Pittsburg high, he was named assistant coach at the College in 1931. In 1935 he took charge of the basketball team while Coach Lance was on a leave of absence and tied for first place in the C. I. C. In 1938 he became head coach of football and has placed third and second in his two years at the helm.

**CHARLEY
MORGAN**

Assistant Coach Prentice E. Gudgen—"Gudge" began his athletic career in College High here and then advanced into the College to earn his B.S. degree in 1928. He coached at Commerce high in Oklahoma and then after a 2-year stay at Roosevelt junior high in Pittsburg he added the job of coaching the senior high football team to his duties. He won three S. E. K. titles and then after completing his master's degree work at Iowa U. he took over his present position in 1938. "Gudge" serves as backfield coach on the gridiron.

Sixteen triumphs and eleven defeats were written on the books as the record of Coach John Lance's Gorilla cagers in 1940, a year that marked the return of the Gorillas to the top position in the Central Conference basketball race.

Despite a late season fold-up, in which they lost three of their last four league games, the Lancemen gained a share in the 3-way tie for first place in one of the most hectic races on record. Both Pittsburg and Fort Hays moved into their final games of the season tied for first and apparently destined to finish in a tie

for the title, but both lost their final game and Southwestern College moved up to share in the championship with each team having won 6 games and losing 4.

The Gorillas opened the season with a 33-27 loss to the Central Oklahoma State Teachers on the local court. It was the first time in years that the Pittsburg team had lost its opening game. Independence junior college and the Southwestern Oklahoma State Teachers fell before the fastly improving Lancemen and fans were encouraged by the showings.

Gorillas with a 50-27 trouncing at Stillwater, Okla. Then came a 3-game road trip into Arkansas and Missouri in which they split a 2-night stand with the Razorbacks at Arkansas University and lost a single game to the Warrensburg Teachers, 39-32.

Returning home, the Lancemen went into preparation for the Oklahoma City tournament. On December 28 the tourney began and they compiled a record of three wins and one loss in the affair. Phillips University, Southeastern Oklahoma State Teachers and Baylor University fell before the Pittsburgers, but the Arkan-

sas Razorbacks made it two out of three games over the Gorillas when they whipped Lance and Co. in the second round of the tourney.

Playing their ninth consecutive game on foreign courts, the Lancemen opened the C. I. C. season with a 46-36 victory over the champion Moundbuilders from Winfield. St. Benedicts dropped before the inspired Pittsburgers, 51-37, as Bill Morgan and Don Sturdy each bucketed six field goals to aid the Gorillas in chalking up their second conference triumph.

Fort Hays, led by the brilliant Jack Johnson, who scored twenty points, tossed the first loss

into the Gorilla league record with a 42-31 trouncing. Returning to their winning form, the locals made it two in a row over the Ravens from St. Benedicts by marking up a 40-35 victory on the local court.

A non-league game on the small Springfield Teachers court netted the Pittsburg five a 33-19 win in a slow game.

The Emporia Teachers used their "fire wagon" tactics to no avail as the Lancemen met them at their own game on the local court and out raced and out scored the last place Hornets, 61-43. Three Pitt forwards, Carson Reeder, Bert Buller, and Morgan each scored five baskets during the fray and at one time the locals held a better than 30-point lead. Thirty-one players saw service in the game.

The Teachers journeyed to Wichita and cut short the pennant ambitions of the Wheatshockers, handing them a 43-27 loss. It was the first league loss for the ambitious Shockers. The Warrensburg Teachers were the next to feel the bite of the Gorilla as they gained revenge for an earlier defeat on the Missouri court.

A 2-game road trip to Emporia and Fort Hays presented the next hurdle for the pennant bound Gorillas to leap. Lady Luck frowned on the Pitt lads and both the last place Hornets and the first place Tigers eked out triumphs by 39-40 and 37-39 scores respectively.

The Springfield Teachers turned in a surprise win to make it three losses in a row for the Pitt crew. Things looked black for the Lancemen, but the inspired Hornets continued their giant killing program by upsetting the high riding Fort Hays Tigers and throwing the Pittsburg team back into a first place tie.

The Southwestern Moundbuilders succumbed to the furious play of the Gorillas on the local court in a 37-35 contest that was one of the season's best, and thus set the stage for the final game of the season with the Wichita Wheatshockers.

Both the Tigers and the Gorillas were tied for first place and pre-game dope pointed to victories for both teams. While the Tigers were routed by the Ravens of St. Benedicts, the Wheatshockers disappointed the Pittsburg fans by downing the locals 34-32 when the Wichita center, Kincaid, scored the winning basket in the last fifteen seconds of play. It was undoubtedly the most thrilling game of the season.

Entering the National intercollegiate tournament in Kansas City, the Pittsburgers defeated St. Joseph's College of Collegeville, Ind., and the East Texas State Teachers before losing to San Diego State College in the quarter-finals. The game went to the Californians by a 32-30 score. The San Diego five was defeated in the finals of the tourney by Tarkio College.

Carson Reeder and Bill Morgan, forwards, Don Sturdy, center, and Jim Adams and Leroy Uhlenhop, guards, made up the usual starting lineup for Coach Lance. Bert Buller, forward, and Marvin Ryden, center, were chief substitutes and both played in all of the scheduled games and could hardly be classified as substitutes.

Reeder led the local scorers with 197 points and placed fourth in the Central Conference scoring race. Adams was the team's second leading point maker. Both Reeder and Adams were named on the Associated Press all-conference team and on almost every other all-star selection. Uhlenhop was named on the second AP team and on several other selections.

Adams, Buller, Lowell Long, guard, and Don Rutherford, forward, have played their last game for K. S. T. C. Of these four seniors, Rutherford was the only four-year letterman to graduate. Adams has earned three letters at Pittsburg after attending a year at Missouri U. Long earned letter No. 2 after two years' work at Parsons junior college and Buller earned his first letter. He had attended Bethel College for three years previous to his enrollment here.

One achievement overshadowed all others in the 1939 Central Conference sports program and that feat was performed by Dr. Garfield Weede, head mentor of the Gorilla track forces.

Faced with the difficult task of replacing all but three veterans in his squad, "Doc" surprised K. S. T. C. students and the entire conference by almost completely rebuilding his team and capturing the C. I. C. track championship.

Lee BeDillon and Fred Schultz, distance runners, and Basil Kelly, javelin thrower, were the three lettermen who returned to perform in 1939, but the performances of these men were shoved into the second position by the brilliant accomplishments of two newcomers, Walter Revelle, hurdler, and Vernon Akins, sprinter.

The Gorillas made an inauspicious start by taking one second and two third places in the Illinois Relays. It was the only indoor meet in the '39 schedule.

The first outdoor competition pitted the local trackmen against an invading Butler University team. The Weedemen walked off with the meet, piling up a 90-41 score.

The Wichita Wheatshockers were the next victims of the rebuilt Gorillas, as the Pitt athletes came through with an 84½ to 46½ triumph in a dual meet. Ten of the fifteen first places went to the Gorillas. Roberts, Morgan, Brooker, Akins, Washington, Graber, BeDillon, Kelly, Schultz, Morrison and the mile relay team each made off with a first place.

Then came the dual relay meet held annually with the Emporia Hornets. Intermittent rains made the track unfit for running, and the final event was run off in a dashing rain. The Weedemen turned in their third consecutive victory in a dual meet by winning, 7-6.

The meet was tied at 6-all until the mile relay team of Porter, Woods, Washington and Akins was victorious in the final event to swing the 1-point margin to the Pittsburg side.

Entering in the University of Kansas Relays, the Gorilla medley relay and mile relay teams won a fourth and a second place respectively. The speedy North Texas State team captured both of these events, with the famous Rideout twins running in both races.

The Gorillas fared better in the Drake Re-

Up and . . . over?

lays, winning a first and a second. The mile relay team of BeDillon, Woods, Washington and Akins pulled in ahead of the field, and the 2-mile team ran a close second.

Traveling to Emporia for the annual dual track and field meet between the two schools, the Pitt trackmen made it four in a row by winning the meet, 90 1/3 to 40 2/3. Twelve of the fifteen events were won by the Gorillas, and all three places in the javelin and broadjump were swept by the Pittsburgers.

Brooker and BeDillon tied for first in the mile run, and Schultz and Leisy finished in the first two places in the 2-mile affair. Higgins, Kelly and Hutter swept the javelin toss, and Turner, Begando and Morgan swept the broadjump.

A week later the Central Conference meet was held in Wichita and first place went to "Doc" Weede's rebuilt Gorillas. Massing a total of 65 5/6 points, "Doc's" boys finished 14 points ahead of the second place Emporians, who had dethroned the Gorillas in the C. I. C. track meet of 1938. The Pittsburgers finished almost 34 points ahead of the third place Shockers from Wichita.

The highlights of the meet were the record-breaking marks of Hurdler Revelle and Sprinter Akins. Revelle hopped over the low hurdles in 23.4 seconds to set a new Central Conference mark. Akins chalked up a new mark in the 220-yard dash when he ran the furlong in 20.9 seconds. In doing so he broke the 21.1 second mark set up by Dunn of Pittsburg in 1938.

Lee BeDillon collected the first points for the locals by winning the mile run. Akins began his day's work by leading the field in the 440-yard run with a time of 48.2 seconds. Richard

Washington added a second place in the 100-yard dash to the collection. "Bud" Graber made off with a first in the high jump, while Jim Adams tied for second and Jim Boren tied for fourth in the same event.

Pittsburg entries in the high hurdles failed to place, but BeDillon returned after his conquest in the mile run to place second in the 880-yard run.

Akins made it two firsts by winning the 220. Don Morgan and Boren tied for second in the pole vault, and Burr Roberts and Marvin Ryden earned a second and a fourth place respectively in the shot put. Revelle's first place in the hurdles added more points.

Basil Kelly and Higgins gathered a first and a third in the javelin throw, and Turner and Joe Begando scored a first and a fourth in the broad jump. Waldo Leisy and Earl Brooker finished the winners' scoring with a second and a fourth place in the 2-mile run. The Gorillas had returned to the top of the conference after their first absence in the history of the C. I. C.

Early in June the Weedemen competed in the Missouri Valley A. A. U. meet in Emporia and tied for first place in the meet with "K" Club team of Kansas University. Akins won high point honors in the meet with firsts in the 100- and 200-meter dashes. Revelle and Brooker were the only other first place winners for Pittsburg.

On July 4 Revelle won first place in the 200-meter hurdles in the national A. A. U. junior meet at Lincoln. Akins had a fourth in the 400-meter run. In the senior division, Revelle placed fourth in the 200-meter hurdle race that was won by Fred Wolcott, the Rice flash, in 22.9. Revelle was only four or five yards back of the winner.

Interest in intramural sports reached a new high this year when more than 200 students participated in the intramural basketball program. Approximately half that number took part in the touch football program and a like number played in the spring soft ball program.

The K-Club team composed of lettermen dominated the touch football field and won the right to be the first team to have its name inscribed on the Dr. C. H. Smith intramural trophy donated to the school by Dr. Herbert Smith. The K-Clubbers, under the direction of "Slim" Welcher, defeated the Mallory Apes in the playoff game to win the title.

The basketball championship went to the Gordon Transit team. Twenty-six teams battled through the season to reach the climax in an all-school tournament. The Transit team defeated the Bearcats in the tourney finals to capture the crown.

Play in the volley ball program was dominated by the K-Club and Faculty teams. Although defeated in basketball, the K-Club representatives in the intramural sports field again carried off a majority of the titles. Play was under the direction of Intramural Director Prentice Gudgen and various members of the athletic department.

Greetings to the Annual Staff of '41

★ it has been our happy privilege to work with the Staff of '40 in the printing of this book . . . and we ask you to examine it as a specimen of our craftsmanship.

★ your task of developing the next book will begin with the opening of classes in September.

★ but before you are dismissed for the summer vacation, we suggest that you confer with the Staff of '40 and let them tell you of our competency in assisting them with the printing of this book.

★ then, when you are ready to talk about the printing of YOUR book you'll want to avail yourselves of the experienced counsel we stand ready to give you.

PITTSBURG BUSINESS firms are vitally interested in the Kansas State Teachers College. The students, teachers and employees of this institution spend thousands and thousands of dollars annually with Pittsburg merchants.

For this fine patronage, the business men of Pittsburg are loyal and enthusiastic boosters of the Kansas State Teachers College. They stand ready to devote their time, efforts and money to further activities which will enable K. S. T. C. to continue to grow and to maintain its place among the important educational centers of the Middle West.

The Headlight and The Sun know that they are expressing the appreciation of Pittsburg business firms for what the Kansas State Teachers College means to Pittsburg.
